**STANDING HEARING OFFICER DIRECTIVE**

**DOCKET NO. 2019-2-E ORDER NO. 2019-59-H**

**APRIL 30, 2019**

**Standing Hearing Officer: Randall Dong**

**DOCKET DESCRIPTION:**

**Annual Review of Base Rates for Fuel Costs for South Carolina Electric & Gas Company**

**MATTER UNDER CONSIDERATION:**

**Motion for Clarification**

**STANDING HEARING OFFICER'S ACTION:**

**The South Carolina Solar Business Alliance filed a motion on April 26 seeking clarification of two points regarding the Commission's Order No. 2019-229 issued on March 27, 2019. Specifically, the Solar Business Alliance seeks clarification as to the effective date of the suspension of the PR-2 rate as directed by Order No. 2019-229. The suspension is to be effective with the first billing cycle in May, 2019.**

**The second matter for which clarification is sought regards the final sentence in Order No. 2019-229. It reads: "Qualifying facilities may revise the avoided cost rates negotiated during this stay should the current PR-2 rate."**

**The sentence should read: "Qualifying facilities may revise the avoided cost rates negotiated during this stay should the current PR-2 rate be revised by the Commission." This clarification is consistent with the remainder of the order.**
